## **Sound Uncovered**

You will explore the app "Sound Uncovered" created by a really awesome museum in San Francisco called the Exploratorium. Once you have downloaded the app, start at the "Hear Here" page. You will see that there is a menu of interactive pages and articles. Your task is to explore the app and report on two interactive pages and two articles. Use the guides below to complete your reports.

### **Interactive page #1**

Name:

Describe the page: What does it look like and what does it ask you to do?

What is going on? Describe what the activity teaches you about sound.

**Interactive page #2**

Name:

Describe the page: What does it look like and what does it ask you to do?

What is going on? Describe what the activity teaches you about sound.

**Article #1**

Name:

What is the main idea of the article?

Site evidence from the article that supports the claim of the main idea.

**Article #2**

Name:

What is the main idea of the article?

Site evidence from the article that supports the claim of the main idea.
